Located at 760 Burr Oak Drive, Kosart Effects Studio opened in 2009. Anthony Kosart and his father took the group on a tour through his studio and new space that is being used for classes, and demonstrated the many art mediums that are used throughout his business.

Kosart is an award winning artist. He competed on Season 4 of Face Off and won. He was asked to be a judge on season 8 and travels frequently for his job commitments. Classes in makeup and mask making are taught at the Westmont location and bring in students from around the country.
